ALEKS® K-12 Course Products

ALEKS can be implemented as a core curriculum or supplement for use with students in grades 3-12, including those in remediation, intervention, gifted, afterschool, and summer school programs.

Please refer to the ALEKS K-12 course recommendations www.aleks.com/k12/course_products/recommendations when selecting ALEKS courses for your students. At any time, you may move a student to a new course at no additional cost.

ALEKS QuickTables is complimentary with any mathematics course, and can be enabled easily if it's not already automatically included.

ELEMENTARY SCHOOL
