Pairing Your Blackboard Account with MH Campus

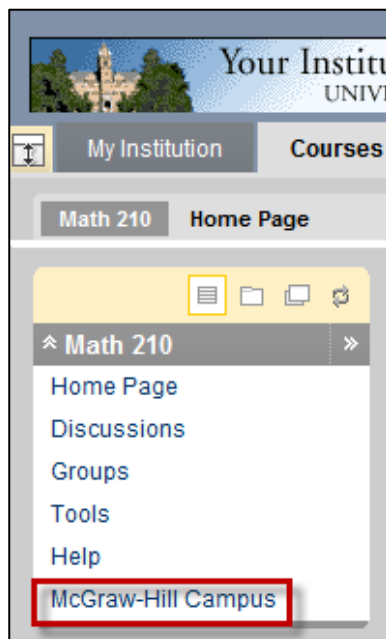

Once your instructor decides to use a McGraw-Hill Education product, you can link your Learning Management System account, such as Blackboard, to access either your existing ALEKS account or a new ALEKS account.

Instructions for Students to Pair their Blackboard Account with MH Campus

First, log into your Blackboard account. Find your list of courses and then select the course that you wish to access.

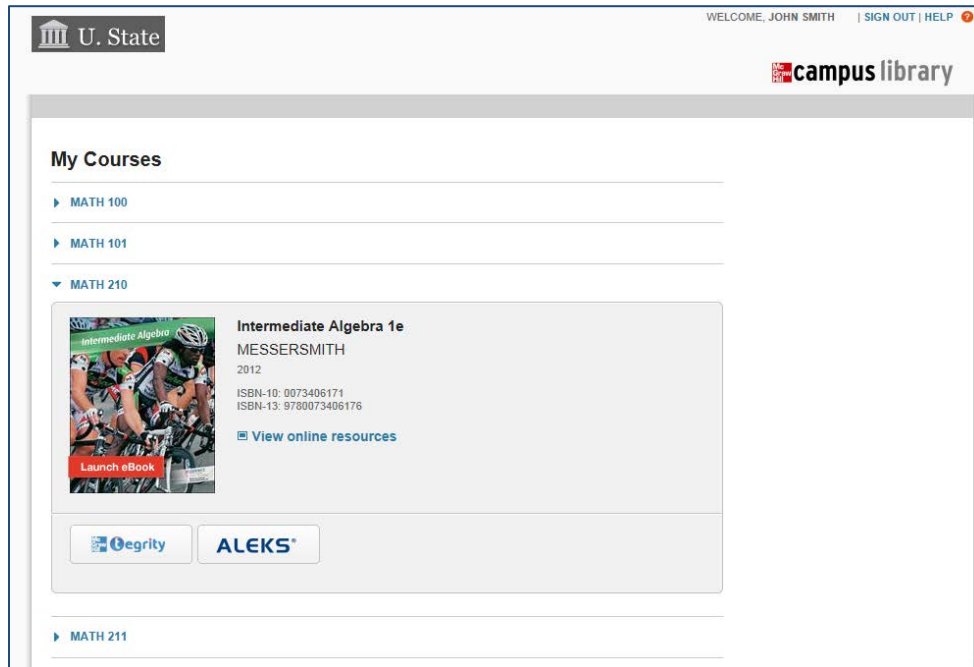

Click on the “McGraw-Hill Campus” link.

A box with the “McGraw-Hill Campus” Terms of service appears. You will only see this message the first time you access MH Campus. Check the box to agree with the terms and click on the “GET STARTED” button.

You will see the book selected by your instructor for your class. If you're taking additional classes, you will see them here. Clicking on the arrow or the name of the class will show the textbook for the specific class.

Hovering over the “ALEKS” button, will open a pop-up with a description of ALEKS. Click on this “ALEKS” button beneath the book title.

You will then arrive at the following page and will be asked to make a selection from the following two options:

- **No, I am new to ALEKS.** Selecting this option will take you through the new user registration flow.
- **Yes, I want to use my existing ALEKS account.** Selecting this option will allow you to login to your existing ALEKS account.

A screenshot of the ALEKS login page. At the top left is the 'McGraw Hill Education' logo and the 'ALEKS' logo. Below the logo is the heading 'Welcome to ALEKS!'. The main content area asks 'Have you used ALEKS before?' and provides two radio button options: 'No, I am new to ALEKS' and 'Yes, I want to use my existing ALEKS account'. The 'Yes' option is selected. Below the options is the text 'Enter your ALEKS login information.' followed by two input fields: 'Your ALEKS Login Name:' and 'Password:'. Below the input fields is a link 'I forgot my login information'. At the bottom right is a green button with the text '>> Continue'.

NOTE: The page above will only appear the first time you pair your Blackboard account with MH Campus. Once the account has been paired you will bypass this step.

Option 1: Pair With a New ALEKS Account (No, I am new to ALEKS workflow)

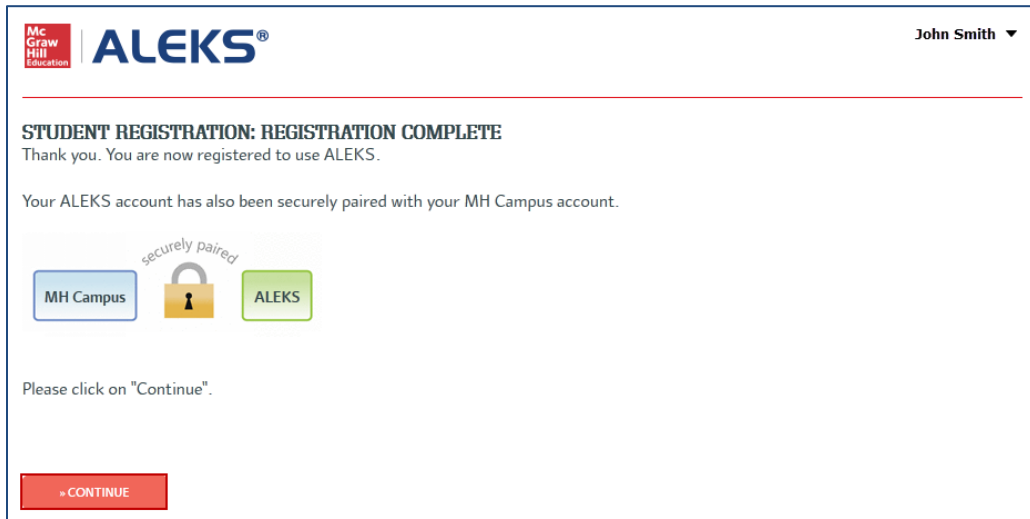

Select the option “No, I am new to ALEKS” and click on the “Continue” button. If applicable, enter your 20-character ALEKS access code or click on the “PURCHASE AN ACCESS CODE” button.

The screenshot shows the ALEKS registration process at the 'ENTER YOUR ACCESS CODE' step. At the top, a progress bar indicates the following steps: 1. CONFIRM COURSE CODE, 2. ACCOUNT STATUS, 3. COURSE ACCESS (current step), 4. STUDENT INFORMATION, 5. ACCOUNT CREATION, and 6. REGISTRATION COMPLETE. The main heading is 'STUDENT REGISTRATION: ENTER YOUR ACCESS CODE'. There are two columns. The left column is titled 'HAVE AN ACCESS CODE?' and contains instructions to enter a 20-character code. Below this, there are four input fields: 'ABCDE', '12345', 'FGHIJ', and '67890'. A 'what's this?' link is below the first field. A red '» CONTINUE' button is at the bottom. The right column is titled 'DON'T HAVE A CODE?' and contains instructions to purchase a code. A red '» PURCHASE AN ACCESS CODE' button is at the bottom.

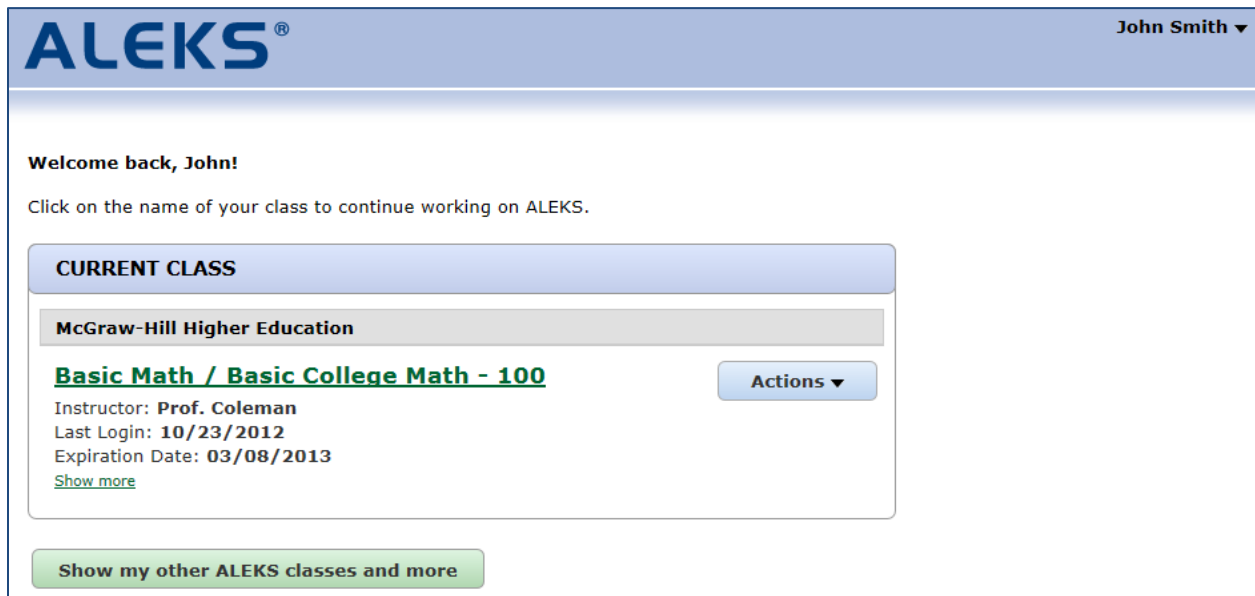

After completing the purchase, fill out the registration form to create a new ALEKS account. Check the box “I have read and agree to the terms of the ALEKS User Agreement”. Finally, click on the “>> CONTINUE” button.

The screenshot shows the ALEKS registration process at the 'STUDENT INFORMATION' step. At the top, a progress bar indicates the following steps: 1. CONFIRM COURSE CODE, 2. ACCOUNT STATUS, 3. COURSE ACCESS, 4. STUDENT INFORMATION (current step), 5. ACCOUNT CREATION, and 6. REGISTRATION COMPLETE. The main heading is 'STUDENT REGISTRATION: STUDENT INFORMATION'. Below this, it says 'Fields marked with "*" are required.' The form is divided into three sections. The first section is 'Enter Your Personal Information' and contains fields for 'First Name' (John), 'Middle Initial' (empty), and 'Last Name' (Smith). The second section is 'Enter Your E-mail Address' and contains an 'E-mail' field (jsmith@example.com) with an example 'MyName@schoolmail.edu' below it. The third section is 'Review and Accept ALEKS Terms of Service'. It includes links for 'ALEKS User Agreement', '** IMPORTANT **', and 'Print ALEKS User Agreement'. Below these links is a scrollable text area containing the terms of the agreement. At the bottom of this section, there is a checkbox labeled 'I have read and agree to the terms of the ALEKS User Agreement.' which is checked. A red '» CONTINUE' button is at the bottom of the form.

Once the ALEKS registration is complete, you will see a confirmation message that says your ALEKS account has been securely paired with your MH Campus account. Click on the "Continue" button.

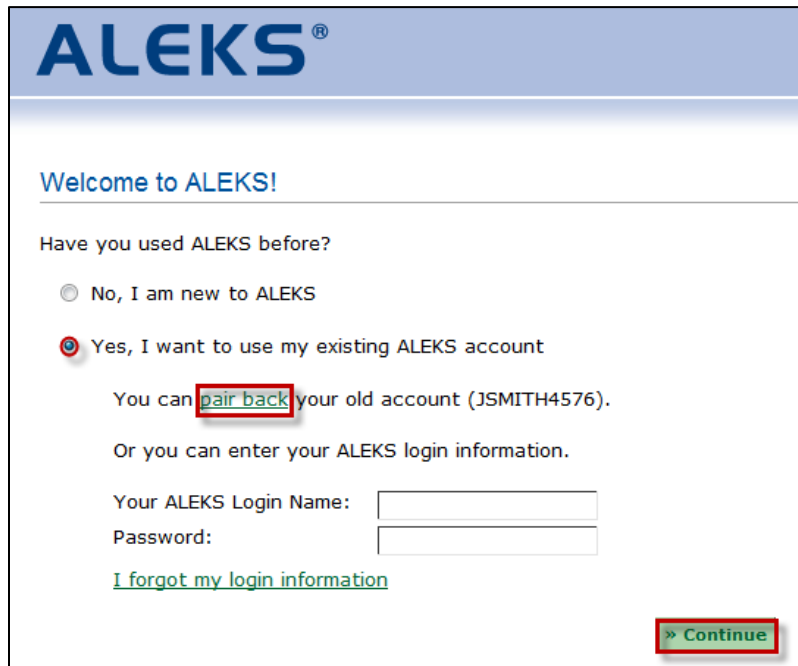

You will then arrive at your ALEKS Student Account Home. The Student Account Home lists all of your ALEKS classes, and allows you to manage these classes from one account.

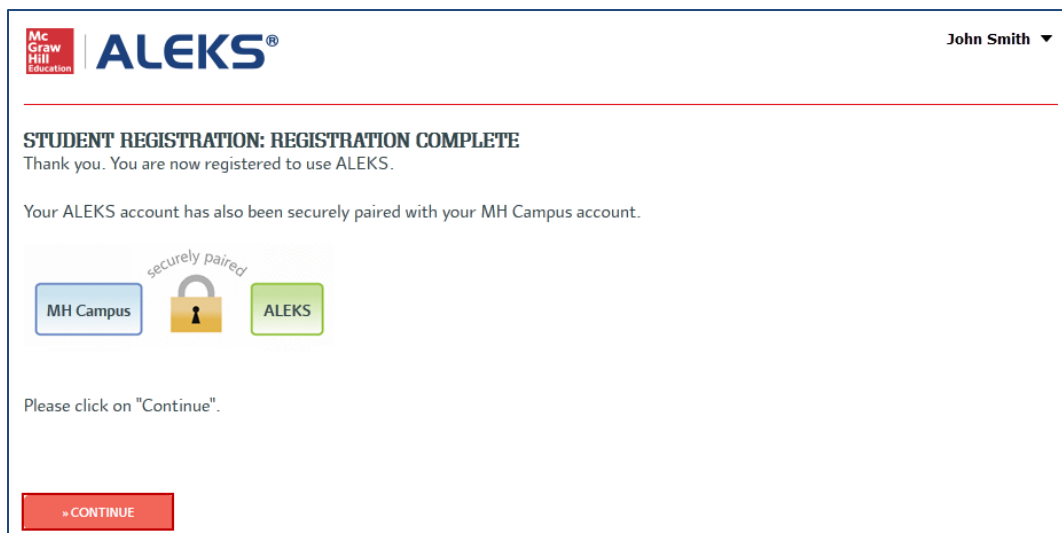

Option 2: Pair With an Existing ALEKS Account (Yes, I want to use my existing account workflow)

If you have an existing ALEKS account, select the “Yes, I want to use my existing ALEKS account” option and enter your ALEKS Login Name and Password. Then click on the “Continue” button. If you have paired your ALEKS account in the past, use the “pair back” link to pair the account again. The login name used with the old account is displayed in parentheses.

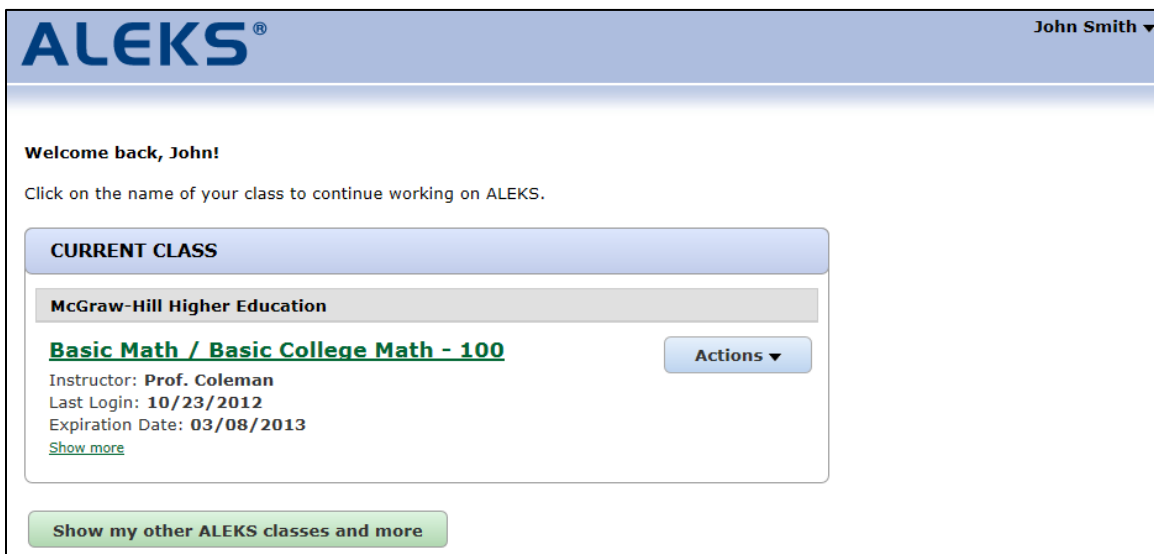

The screenshot shows the ALEKS login interface. At the top is the ALEKS logo. Below it is the heading "Welcome to ALEKS!". The main question is "Have you used ALEKS before?". There are two radio button options: "No, I am new to ALEKS" and "Yes, I want to use my existing ALEKS account". The second option is selected. Below this, there is a text prompt: "You can **pair back** your old account (JSMITH4576)." The words "pair back" are highlighted with a red box. Below this is another option: "Or you can enter your ALEKS login information." There are two input fields: "Your ALEKS Login Name:" and "Password:". Below the input fields is a link: "[I forgot my login information](#)". At the bottom right is a red button with a white arrow and the text "Continue", which is also highlighted with a red box.

You will then see a confirmation message that says your ALEKS account has been securely paired with your MH Campus account. The student clicks on the “>> Continue” button.

The screenshot shows the ALEKS confirmation page. At the top left is the McGraw Hill Education logo and the ALEKS logo. At the top right is the user name "John Smith" with a dropdown arrow. The main heading is "STUDENT REGISTRATION: REGISTRATION COMPLETE". Below this is the text: "Thank you. You are now registered to use ALEKS." and "Your ALEKS account has also been securely paired with your MH Campus account." Below this is a graphic showing a blue box labeled "MH Campus", a yellow padlock icon with the text "securely paired" above it, and a green box labeled "ALEKS". Below the graphic is the text: "Please click on 'Continue'." At the bottom left is a red button with a white arrow and the text "CONTINUE".

You will then arrive at your ALEKS Student Account Home. The Student Account Home lists all of your ALEKS classes, and allows you to manage these classes from one account. To access an ALEKS class, simply click on the name of the class.

The screenshot shows the ALEKS Student Account Home interface. At the top left is the ALEKS logo, and at the top right is the user name "John Smith" with a dropdown arrow. Below the header, a welcome message reads "Welcome back, John!" followed by the instruction "Click on the name of your class to continue working on ALEKS." A section titled "CURRENT CLASS" contains a card for "McGraw-Hill Higher Education" with the class name "[Basic Math / Basic College Math - 100](#)". To the right of the class name is an "Actions" button with a dropdown arrow. Below the class name, the instructor is listed as "Prof. Coleman", the last login is "10/23/2012", and the expiration date is "03/08/2013". A "Show more" link is also present. At the bottom of the card is a button that says "Show my other ALEKS classes and more".

Logging into Another Class Through Blackboard

From your Blackboard account, click on the name of the class that you want to access. Next, find the link to launch ALEKS from Blackboard. After launching ALEKS, you will be taken to your ALEKS Student Account Home.

In the Account Home, you will now see your class under the "CURRENT CLASS" heading.

Sign up for a New ALEKS Class

You can sign up for a new ALEKS class either through Blackboard or through your Student Account Home.

Sign up for a New ALEKS Class Through Blackboard

From your Blackboard account, click on the name of the class that you want to access. Next, find the link to launch ALEKS from Blackboard. After launching ALEKS, enter your 20-character ALEKS access code or click on the “PURCHASE AN ACCESS CODE” button.
