Pairing Your Canvas Account with MH Campus

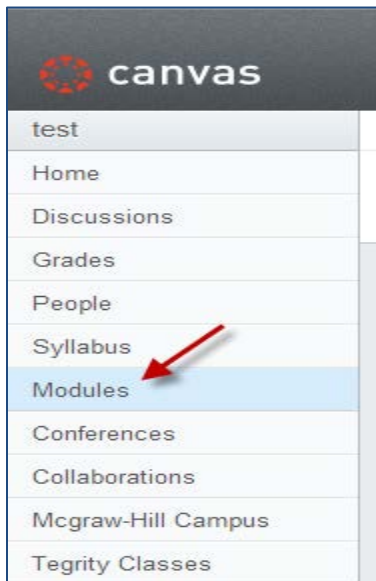

Once your instructor decides to use a McGraw-Hill Education product, you can link your Learning Management System account, such as Canvas, to access either your existing ALEKS account or a new ALEKS account.

Instructions for Students to Pair their Canvas Account with MH Campus

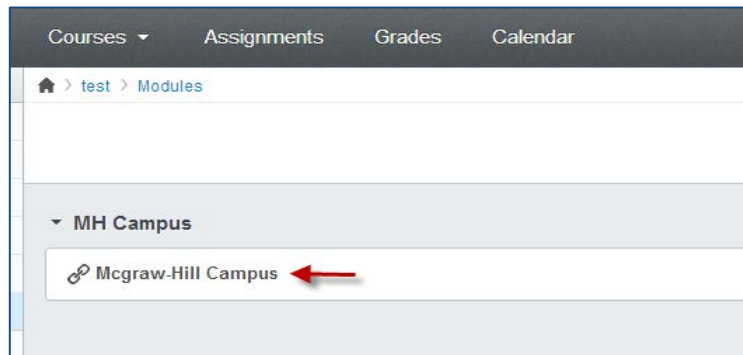

First, log into your LMS account. Find your list of courses and then select the course that you wish to pair.

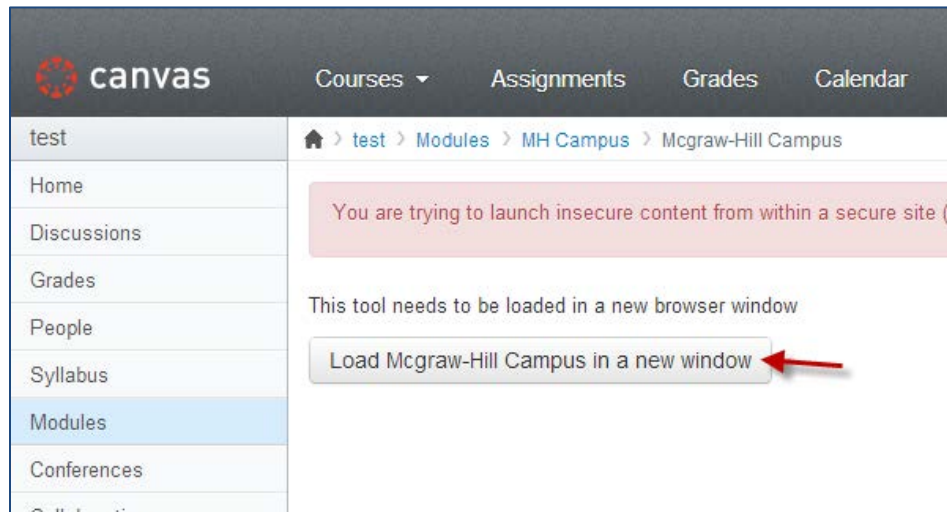

Click on “Modules” In the left-hand menu.

Click on the “McGraw-Hill Campus” link.

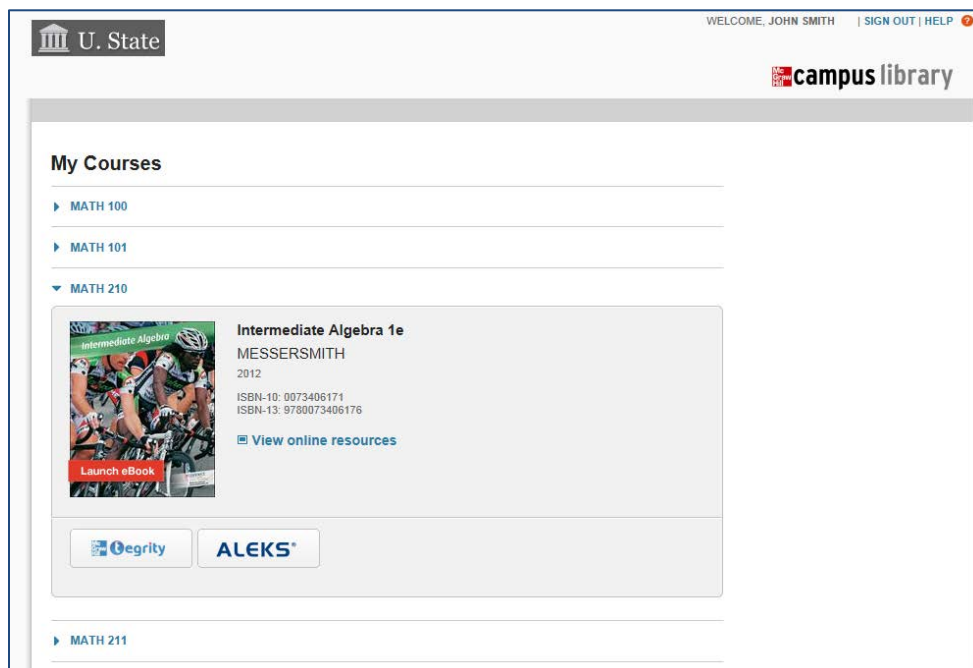

Click on “Load McGraw-Hill Campus in a new window.”

A box with the “McGraw-Hill Campus” Terms of service appears. You will only see this message the first time you access MH Campus. Check the box to agree with the terms and click on the “GET STARTED” button.

You will see the book selected by your instructor for your class. If you’re taking additional classes, you will see them here. Clicking on the arrow or the name of the class will show the textbook for the specific class.

Hovering over the “ALEKS” button, will open a pop-up with a description of ALEKS. Click on this “ALEKS” button beneath the book title.

You will then arrive at the following page and will be asked to make a selection from the following two options:

- **No, I am new to ALEKS.** Selecting this option will take you through the new user registration flow.
- **Yes, I want to use my existing ALEKS account.** Selecting this option will allow you to login to your existing ALEKS account.

Once the ALEKS registration is complete, you will see a confirmation message that says your ALEKS account has been securely paired with your MH Campus account. Click on the “Continue” button.

The screenshot shows the confirmation message after registration. At the top, the McGraw-Hill Education logo and the ALEKS logo are displayed. The user's name, John Smith, is shown in the top right corner.

STUDENT REGISTRATION: REGISTRATION COMPLETE
Thank you. You are now registered to use ALEKS.

Your ALEKS account has also been securely paired with your MH Campus account.

Please click on "Continue".

You will then arrive at your ALEKS Student Account Home. The Student Account Home lists all of your ALEKS classes, and allows you to manage these classes from one account.

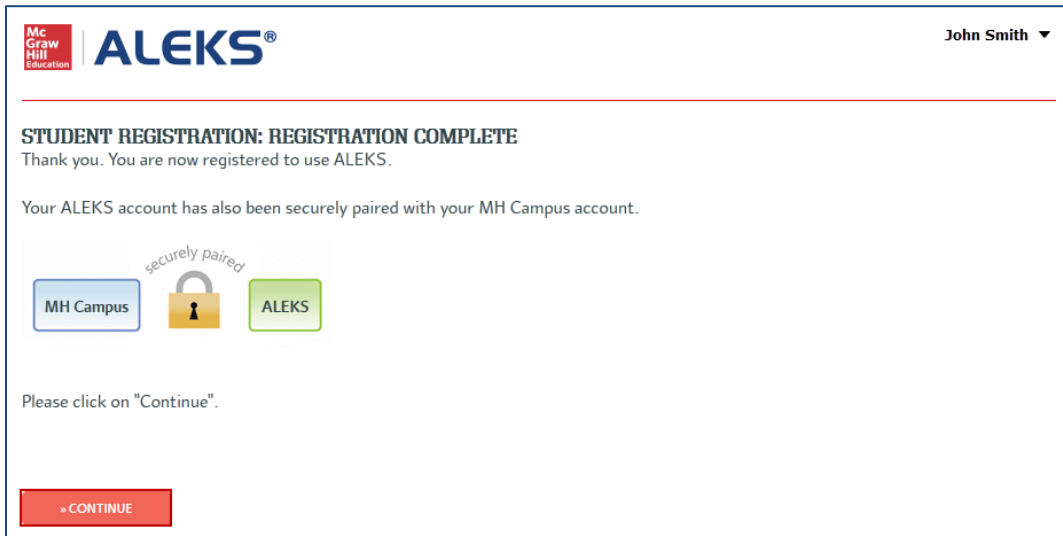

The screenshot shows the ALEKS Student Account Home for John Smith. At the top left is the ALEKS logo, and at the top right is the user name "John Smith" with a dropdown arrow. Below the header, a welcome message says "Welcome back, John!" followed by the instruction "Click on the name of your class to continue working on ALEKS." A section titled "CURRENT CLASS" contains a card for "McGraw-Hill Higher Education" with the class name "Basic Math / Basic College Math - 100" in green. Below the class name, it lists the instructor as "Prof. Coleman", the last login as "10/23/2012", and the expiration date as "03/08/2013". There is a "Show more" link and an "Actions" dropdown menu. At the bottom of the card is a green button that says "Show my other ALEKS classes and more".

Option 2: Pair With an Existing ALEKS Account (Yes, I want to use my existing account workflow)

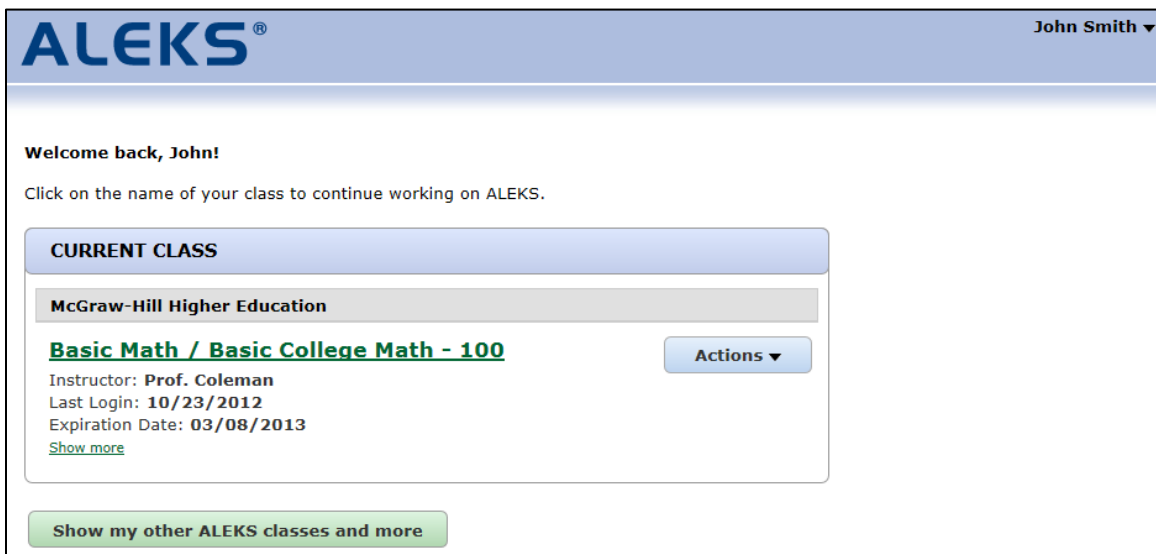

If you have an existing ALEKS account, select the “Yes, I want to use my existing ALEKS account” option and enter your ALEKS Login Name and Password. Then click on the “Continue” button. If you have paired your ALEKS account in the past, use the “pair back” link to pair the account again. The login name used with the old account is displayed in parentheses.

The screenshot shows the ALEKS login screen. At the top left is the ALEKS logo. Below the header, it says "Welcome to ALEKS!". The main question is "Have you used ALEKS before?" with two radio button options: "No, I am new to ALEKS" and "Yes, I want to use my existing ALEKS account". The second option is selected. Below this, there is a link "pair back" highlighted with a red box, followed by the text "your old account (JSMITH4576)". Below that is the text "Or you can enter your ALEKS login information." followed by two input fields: "Your ALEKS Login Name:" and "Password:". There is a link "I forgot my login information" below the password field. At the bottom right is a green button with a right arrow and the text "Continue", also highlighted with a red box.

You will then see a confirmation message that says your ALEKS account has been securely paired with your MH Campus account. The student clicks on the “>> Continue” button.

You will then arrive at your ALEKS Student Account Home. The Student Account Home lists all of your ALEKS classes, and allows you to manage these classes from one account. To access an ALEKS class, simply click on the name of the class.

Logging into Another Class Through Canvas

From your Canvas account, click on the name of the class that you want to access. Next, find the link to launch ALEKS from Canvas. After launching ALEKS, you will be taken to your ALEKS Student Account Home.

In the Account Home, you will now see your class under the “CURRENT CLASS” heading.

Sign up for a New ALEKS Class

You can sign up for a new ALEKS class either through Canvas or through your Student Account Home.

Sign Up For a New ALEKS Class through Student Account Home

After clicking on the “Show my other ALEKS classes and more” button, the student can sign up for a new ALEKS class by clicking on the “Sign up for a new ALEKS class” link.

The screenshot shows the ALEKS student account home page. At the top, the ALEKS logo is displayed. Below the logo, a welcome message reads "Welcome back, John!" followed by the instruction "Click on the name of your class to continue working on ALEKS." A section titled "CURRENT CLASS" contains the following information: "McGraw-Hill Higher Education", "Basic Math / Basic College Math - 100" (with an "Actions" dropdown menu), "Instructor: Prof. Coleman", "Last Login: 10/31/2012", "Expiration Date: 03/16/2013", and a "Show more" link. Below this section is a green button labeled "Hide my other ALEKS classes and more". At the bottom right, a red-bordered box highlights a link that says "Sign up for a new ALEKS class".

After clicking on the “Sign up for a new ALEKS class” link, follow these steps:

- Enter the 10-character class code for the class and click on the “Register” button.
- Verify your enrollment information and then click on the “Continue” button. If your class requires a new access code, you will be prompted to enter it at this time, or purchase a new code.
- Verify your email address and then click on the “Continue” button. You will then receive a confirmation message that your registration is complete.
- Click on the “Continue to your ALEKS class” link to begin working in your class.

The screenshot shows the ALEKS registration complete page. At the top, the ALEKS logo is displayed, and the user's name "John Smith" is shown in the top right corner. A progress bar at the top indicates the steps: 1 Enter Class Code, 2 Confirm Course Code, 3 Course Access, 4 Student Information, and 5 Registration Complete. The main heading is "Registration Complete". Below this, a yellow box with a green checkmark contains the following enrollment information: "You are enrolled in:", "Class: College Algebra", "Subject: College Algebra", "Instructor: Ms. Adamson", and "School: ALEKS QC Department". Below the yellow box, a message states "Your ALEKS account has also been securely paired with your MH Campus account." This is accompanied by a diagram showing "MH Campus" and "ALEKS" boxes connected by a padlock icon with the text "securely paired" above it. At the bottom, a red-bordered box highlights a link that says "Continue to your ALEKS class", and a "Back to account" link is also visible.
